#### **DETAILED ACTION**

- 1      This action is responsive to the amendment filed on July 11, 2008.
- 2      The cancellation of claims 31-32 is acknowledged. Pending claims are 1-30 and 33.
- 3      A request for continued examination under 37 CFR 1.114, including the fee set forth in  
37 CFR 1.17(c), was filed in this application after final rejection. Since this application is  
eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(c)  
has been timely paid, the finality of the previous Office action has been withdrawn pursuant to  
37 CFR 1.114. Applicant's submission filed on 7/11/2008 has been entered.
- 4      Claims 1-30 and 33 are allowed.

#### **STATEMENT OF REASONS FOR ALLOWANCE**

- 5      The following is an examiner's statement of reasons for allowance:

The closest prior art of record (US 6,669,933 B2) does not teach or disclose the claimed combination of alkalizing agents of meta silicates and alkanolamine in the weight ratio as claimed. Further, the obviousness rejection of the claims over Duffer et al. (US' 933 b2) has been rendered moot because the comparative data submitted in the Declaration filed on 4/09/2007 is sufficient to rebut any case of prima facie obviousness of the claimed combination of ingredients because the comparative data shows that the claimed composition (meta silicate and ethanolamine) provides unexpected and superior results of homogenous coloration with lower selectivity value (8.78) than the compositions of the prior art of record (silicate with ethanolamine or meta silicate with ammonia) that show higher selectivity values (11.12 and 12.85), wherein the lower the selectivity value, the more homogenous the resulting color is.

Accordingly the claimed subject matter as a whole would not have been obvious to one having ordinary skill in the art of keratin fibers coloring formulation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eisa B. Elhilo whose telephone number is (571) 272-1315. The examiner can normally be reached on M - F (8:00 -4:30).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Pyon Harold can be reached on (571) 272-1498. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
